Career Guidance Cell @DIET

The career guidance cell at Dadi Institute of Engineering & Technology provides relevant academic and career information to enable Students to make informed decisions along the way.

Our focus is to provide learning/training opportunities in the areas of academic, career and personal/ social development and to prepare students to meet their future challenges.

The career guidance cell of the Institute is constituted with a certified career counselor and faculty members of the various core departments to provide necessary guidance and information to the students in shaping their future career. The team keeps up to date with employment trends and options to ensure quality advice to students.

The Career Guidance Cell provides commendable services in areas of Campus Interviews; Job Placements and training programmers for the students that enable them to develop applicable skills required for job market.

The Cell also organizes Workshops and Seminars on Personality Development, Interpersonal Relationship, Communication Skills, Interview Skills and Presentation Skills to enable the all round development of individuals.

Eminent resource persons from various sectors and esteemed institutions are invited for providing training to the students.

Vision:

- To achieve 100% placements for all eligible and interested students
- To help students pursue clear career path

Mission:

- Making our campus a Centre of Excellence and producing high caliber and well-trained & skilled workforce.

Motto:

- Building Bright Careers

The Career Guidance Cell of DIET has been catering to the needs of students with the following objectives:

- ➔ To conduct a survey among students on their career options.
- ➔ To organize programmes to create awareness about the importance of higher studies in India and Abroad.
- ➔ To organize coaching classes towards higher studies.
- ➔ To conduct Orientation Programmes for freshers.
- ➔ To organize and offer various programmes on Personality Development, Soft Skills and Communication Skills.
- ➔ To organize Pre Placement Training Programmes to enable students to showcase their skills during the Interview.

Functions:

- Interaction between industry and institute.
- Campus Recruitment Training to students.
- Arranging Campus Interviews to students.
- Guest lecturers by eminent industry experts.
- Counseling and Personality Development.
