Summary Report:

DIET IEEE Student Branch hosted the Inaugural ceremony of the **DIET IEEE APS** (Antennas and Propagation Society) Student Branch **Chapter** on 2nd June 2025 (Monday) at Seminar Hall 1 (AC), Dadi Institute of Engineering & Technology in the presence of global **IEEE APS President** Prof. Christophe Fumeaux from the University of Queensland, **Australia** as chief guest and Dr Naresh K Darimireddy, **Vice chair of IEEE APS Chapter, Vizag Bay section** as the Guest of Honor marking a significant milestone in the journey of the Student Branch showcasing its constant growth in alignment with global IEEE initiatives.

The program commenced with the gathering of participants and dignitaries, followed by a short video presentation highlighting the SB activities and achievements over the past one year. A graceful classical dance performance set the tone for formal proceedings with a traditional lighting of the lamp and prayer song. Opening remarks were delivered by **Mr. A. Krishna Nag**, DIET IEEE SB Counselor, followed by a brief address from the APS Chapter Advisor, **Dr. G.V. Sridhar**. Principal, **Dr. R. Vaikunta Rao** congratulated the team of DIET IEEE Student Branch on the inaugural of a new chapter and urged the members to make full use of the endless benefits of constant learning opportunities available with IEEE resources.

Sri Dadi Ratnakar, Chairman – DIET, joined the event online to convey his appreciation to the student branch Ex-Com members and advised the student members of IEEE to enhance their technical knowledge with a zeal to compete at the global level that would help them acquire skills to grab the employment opportunities with a high package.

Guest of Honour, **Dr. Naresh K. Darimireddy**, emphasized on the initiatives undertaken by IEEE Vizag Bay Section to strengthen the SB activities especially under the Chapter of Antenna & Propagation Society and also announced the upcoming activities being organized across the country.

Chief Guest **Prof. Christophe Fumeaux** delivered a splendid distinguished lecture on the technical advancements in the field on Antennas and Propagation. From the principles of wireless technologies to the design of innovative antennas, the lecture covered several exciting aspects that are under research at the global platform. He shared several key aspects of his international journey as the president of IEEE APS Chapter and particularly motivated students to carry out a mechanism of constant learning at the undergraduate level.

After the guests were felicitated, the **official launch** of the DIET IEEE APS SB Chapter took place with great enthusiasm & applause and the chapter formation letter issued by IEEE headquarters was handed over to the student chair of the DIET APS chapter **Mr. K Rohit Kumar** along with the chapter advisor. An **online interaction** with IEEE APS global leadership was arranged via Google Meet, fostering a connection between the student members and international experts. The event concluded with a **vote of thanks** by the student Chair **Mr. A Omkar** followed by National Anthem and a group photo marking the successful completion of the ceremony.

This launching event served as an inspiration to all attendees from across the student branches involving the active participation of student chairs, vice chairs and Ex-Com members of several IEEE student branches across the Vizag Bay section including LIET, GMRIT, MVGR, REC, GITAM, AU etc., led by the branch counselors and section officials like Dr Anil Kumar Tirunagari, Treasurer of IEEE APS Chapter, Vizag Bay section.

The entire event with over 280+ participants was organized by the active volunteering contribution of student Ex-Com members of DIET IEEE Student Branch anchored by the Graduate Student Member (GSM) Mr S Jaya Prakash. This inaugural function truly symbolized the beginning of a new path in the journey of DIET IEEE SB and reflected the institute's commitment to advancing research, leadership and global engagement through international professional bodies like IEEE.
