- The audience were able to understand the importance of CSI membership.

Brief Note

A one day workshop on 26th December, 2022 titled "Entrepreneurship and Innovation as a Career Opportunity" was conducted under the auspices of the CSE Department of the Dadi Institute of Engineering and Technology in association with CSI. Mr. Chandra Dasaka Chief Strategy and Innovation Officer Delta March Technologies Associate Vice Chancellor University of Emerging Technologies CA USA Head Academic and Industry Council of Computer Society of India participated in the program as the Resource person. The event started with a prayer song. It was an offline mode and venue was the institute itself. It was well-received by more than 260 participants from students of various departments. Dr. B.Anjaneer Kumar started the session with a warm welcome to all the attendees. Shri Chandra Dasaka explained the importance, benefits of CSSI membership and how students should grow up as good entrepreneurs. Dr. K. Sujatha, Head of the Department CSE, said how the students can use the MSME Incubation Center to realize their ideas and dreams. Dr. Challa Narasimham, Principal of Dadi Institute of Engineering and Technology, said that the diet institution got 4 star rating at the national level due to students using their skills to innovate and invent new equipment and start startups and informed that this process should be continued. Dr. Anjaneer Kumar R&D Co-Convener said that more such programs will be organized to bring out the skills of the students. In this program, through CSI, students were taught how to access job opportunities, how to speak during an interview, the benefits of certifications, internships, the difference between an innovator and an entrepreneur. The Government and Innovation Council spoke about the schemes offered to bring out the skills of the students. The students cleared their doubts in their career development. College Principal Dr Challa Narasimham, College CSE Head Dr K Sujatha, Deputy Head Usha, Dr Anjaneer Kumar, R&D Co-Convener, Workshop Coordinator Swapna and Diet College teachers participated in this programme.

The workshop ended with a question and answer session. This event was a huge success with over 100 participants. The vote of thanks was delivered by Institute's R&D wing Convenor Dr. K. Sujatha.
