The program commenced by lighting the lamp by the dignitaries on the dais along with a Prayer song.

At the outset **Dr. A S L K Gopalamma**, the Pioneer of the department, has given the opening remarks with her encouraging words of Wisdom to the outgoing students regarding their bright future. She gave accolades to all the final year students for successfully completing their projects by presenting them in various **IEEE Conferences**. She also appreciated for their continuous effort towards their research contribution in the department. She ended up appreciating the III B.Tech. students for hosting & organizing an incredible day for their seniors creating a lot of memories.

The Associate Dean Academics, **Mr. A Krishna Nag** has given his guidance to the outgoing students regarding the future prospective and also congratulated them for successfully completing their B.Tech. Course in time in spite of facing the pandemic situation during their course time.

The gathering was further addressed by **Dr. B. Anjane Kumar**, Dean R & D, gave his appreciation to the outgoing students for their effort in publishing their projects in the form of Book chapters in the Book entitled “**PEER:2022-23**”. He also congratulated them for attending the IEEE conferences and presenting their projects as a Paper. He advised the III B.Tech. to continue the research in the department which will improve the growth of the R & D at the institute level.

Further, **Dr. R Vaikunta Rao**, Vice- Principal addressed the students stating that its the responsibility of the students to make an Ideal Society as they are the upcoming generation of the country. He wished the outgoing students to think innovatively and flourish in their upcoming professional career making their parents proud.

The Head of the Institute, **Dr. Challa Narasimham** addressed the students by explaining the dilemmas in the professional career and how the outgoing students should prepare themselves for their future endeavors and wished them with his motivational speech. He congratulated the department for continuing the custom of releasing the Book with all the projects included as Book chapters and also appreciated the efforts of the final year students in the release of **PEER**.

The gathering was addressed by the honorable Chairman of the Institute **Mr. Dadi Ratnakar** gave his guidance in the field of electrical engineering and urged the students to get prepared for facing the upcoming challenges in their professional career. In his motivational speech he suggested the outgoing students to improve their practical skills to meet the industry requirements. He also gave his words of encouragement and support to the outgoing batch students even after their relieving from the institute regarding their professional growth. He wished the outgoing students to be in the best positions in their upcoming professional career.

After all the dignitaries addressal to the outgoing batch, it was the time to Unveil the Book entitled “**PEER: 2022-23**” which is the 2nd edition and the department’s research contribution which includes all the projects of the outgoing batch, 2019-23. The student editors of **PEER-2nd edition** Mr. S Sai Ganesh and Mr. Bh Sai Praveen has shared their experiences regarding the book publication. They extended their heartfelt thanks to all those who have supported them in their research contribution.

It's been a privilege to the department of EEE that **44** students out of 74 have submitted their Project Papers in various **IEEE conferences**, got acceptance & presented in the conference. Among these **12** students have filed their projects for **Patents**. In this regard as a token of appreciation by the department to the students with a memento which is presented by Honourable Chairman Sir. The Chairman also appreciated all the students for their contribution towards the research and urged the III B.Tech. students to follow the same.
