DEPARTMENT OF CIVIL ENGINEERING

Feedback Report

Consolidated Feedback report collected from Stakeholders during academic year 2021-22

Industry

Provide Industrial visits regularly to give more knowledge on courses.
Emphasize more on research and improving facilities for it.

Alumni

Current technologies can be imparted by providing Guest lectures.
Suggest students to do projects in the respective courses to get more practical knowledge.

Students

Improve more practical oriented workshops on latest technologies like ETABS.
Provide more technical training classes for GATE and other competitive examinations.

Faculty

Suggested for projects on Structural engineering stream.
Advanced courses may be introduced in Geotechnical engineering stream through elective courses.

Parents

Provide more CRT classes.
Need more interdisciplinary courses.

Action Plan

1. Planned to conduct a workshop on A ONE WEEK WORKSHOP ON “ARCHITECTURAL MODELING USING REVIT WORK SHOP” for IV B. Tech students.
2. Planned to conduct AONE WEEKWORKSHOP ON “STAAD.Pro FOR III B.Tech students

Action Taken Report

1. Conducted a guest workshop on A ONE WEEK WORKSHOP ON “ARCHITECTURAL MODELING USING REVIT WORKSHOP by DEPARTMENT OF CIVIL ENGINEERING IN ASSOCIATION WITH DIET IE (I) STUDENT CHAPTER AND APSSDC for IV B. Tech students from 10-11-2021 to 21-11-2021.
2. Conducted a one week workshop on STAAD.Pro by Department of Civil Engineering in Association with DIET IE (I) STUDENT CHAPTER and Andhra Pradesh State Soft Skills Development (APSSDC). From 14/03/2022 to 19/03/2022 for III B.Tech students

DEPARTMENT OF ELECTRONICS AND COMMUNICATION ENGINEERING

Feedback Report

Consolidated Feedback report collected from Stakeholders during academic year 2021-22

Industry

Provide Industrial visits to give more practical knowledge on courses of study.

Emphasize more on internship programs and improving facilities for it.

Alumni

Current technologies can be imparted by providing webinars and interactions of resource persons with students.

Suggest students to do projects in the respective courses to get more practical knowledge.

Students

Improve more practical oriented workshops on latest technologies.

Provide Industrial visits regularly to get more knowledge on courses.

Provide more technical training classes for GATE and other competitive examinations.

Faculty

Suggested for FDP on new trends in education system like Artificial Intelligence, recent trends in signal processing, Machine learning, python programming etc.

Advanced courses may be introduced in Communication stream through elective courses.

Parents

Need more practical knowledge on latest added subjects and programming.

Action Plan

1. Planned to tie-up with professional companies for internships, webinars, online workshops, etc., for knowledge sharing and technical improvement of students.
2. Planned to improve students' interest in hardware technology and presentation skills through a technical event with paper, poster presentations, quiz and hardware projects on technical
3. Planned for a workshop on latest programming techniques like JavaScript/ NodeJS, TypeScript, Python, etc.
4. Planned for CRT and Gate classes for III B. Tech students.

Action Taken Report

1. Signed MoUs with BSNL and SASHA PRAYATHI to provide internships and online certificate courses for the students.
2. Certificate courses were introduced to students and faculty in the form of ISRO IIRS Outreach Programmes with DIET being the Nodal centre for the programme.
3. Organised technical events with Project, paper, poster presentations, and quiz under the event SPECTRA 2K22.
4. Organised technical events with Project, paper, poster presentations, and quiz under the event Departmental Day 2K21 On the eve of Robert Norton Noyce's Birthday.
5. A Guest Lecture was organised on Evolution of 5G Technology by Mr. M. Ravi Kumar, Senior Lead Engineer, Qualcomm India Pvt. Ltd, Bangalore.
6. Conducted a two week workshop on PCB DESIGN (10th march, 2022 to 23rd march, 2022) in association with Andhra Pradesh State Skill Development Corporation (APSSDC).
7. Conducted AICTE-ISTE Sponsored One Week Online Refresher Programme on Applications of Signal Processing for faculty, PG students and research scholars.

DEPARTMENT OF ELECTRICAL AND ELECTRONICS ENGINEERING

Feedback Report

Consolidated Feedback report collected from Stakeholders during academic year 2021-22

Alumni

The course curriculum fulfilling our expectations and it is also useful in developing our personality. It is helpful for admission into higher studies.

To meet current job requirements the tools like Programming language, PLC, SCADA and Embedded systems etc., are needed.

Students

Course curriculum is appropriate as per the current industry requirements. The syllabus of the courses has given a foundation to conduct project works, field works in the particular area.

Faculty

The programmes outcomes, programmes specific outcomes and course outcomes of the syllabi are well defined. The course content is made interesting in the subject area. Few add on courses may be conducted to enrich the syllabus.

Parents

In addition to regular courses, few workshops, seminars and guest lecturers should be conducted to improve the knowledge on current requirements of the industry.

Action Plan

1. In order to enrich the curriculum the EEE Department has planned to conduct a one week Training Program to the IV B.Tech EEE students on PLC.
2. To improve the knowledge on latest technologies like Embedded Systems, EEE Department is planning to conduct a workshop for II B.Tech EEE students, in association with APSSDC.

Action Taken Report

1. Organized a one week Program for the IV B.Tech EEE students on "Industry Automation with PLC", from 03-03-2022 to 09-03-2022. The Program has created awareness on the Automation, How Automation is happening in the industries based on education and modern innovative methods used in the Factories.
2. Organized a two week workshop in Two Phases for the II B.Tech EEE students on "Embedded Systems", Phase- I from 24-01-2022 to 29-01-2022. The Phase – II is conducted from 01-02-2022 to 05-02-2022.

Madam,

Greetings from Dadi Institute of Engineering and Technology, U4.

We would like to inform the highness that the Institute (DIET, U4) has collected and analyzed the feedback on curriculum from stakeholders like students, faculty, employer, alumni and parents for R16, R19, R20 Regulations. The same has been forwarded for your kind perusal. Here with submitting the Feedback Analysis, Feedback Report for your perusal.

Thanking you,

Yours faithfully,
