DIET CSI Student Chapter, of Dadi Institute of Engineering & Technology has successfully organized one day Workshop on “CX-CLOUD”. Under-Graduate students need proper guidance in planning their career and achieving their future goals. Inspired with this motto, DIET CSI Student Chapter organized this workshop with two important sessions. The first session has been demonstrated on Cloud computing overview , different services offerings in Cloud Saas, Paas & Iaas and overview of Oracle Suit Applications. The next session is based on introduction to CRM cloud , Salesforce to CRM cloud and Oracle CPQ that are used in software

Industry. This has motivated all enthusiastic students and made them aware of **CX-CLOUD**.

Objectives:

- To create an environment for exploring opportunities and acquiring software jobs.
- To nurture and help students in promoting their goals.

Outcomes:

- Students gained confidence to attend software interviews confidently in future.
- Faculty were able understand real time applications that will help in teaching.

Poster Release:

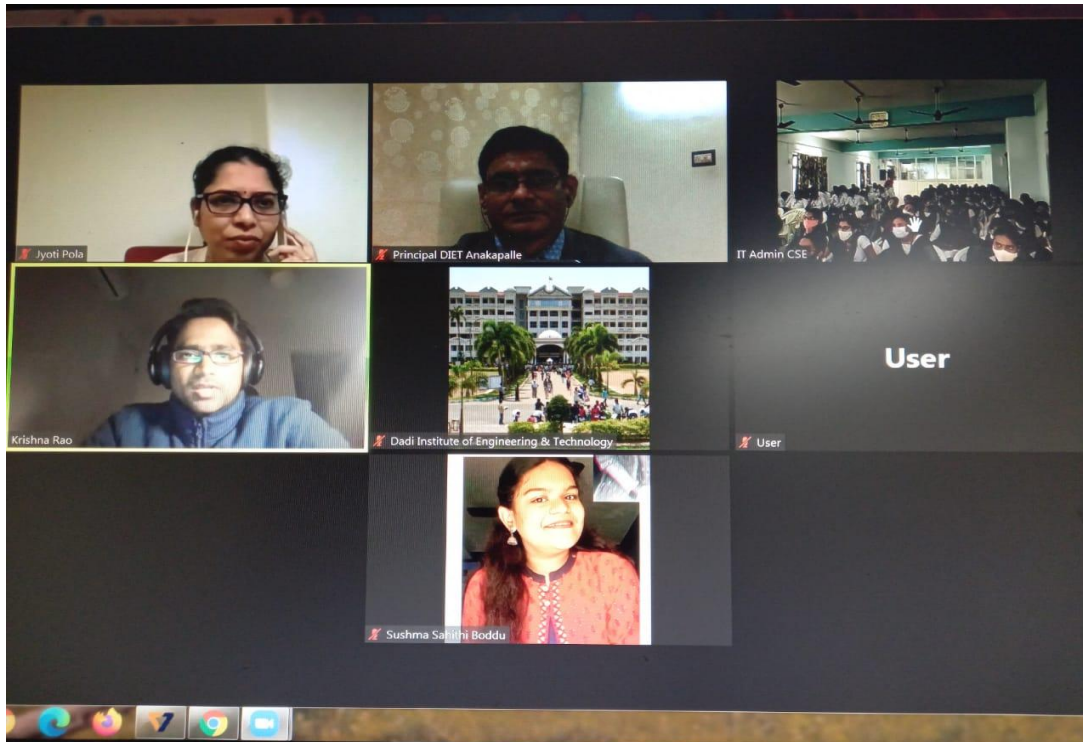

Guest lecturer Poster was released by Honorable Chairman, Sri DadiRatnakar. In his message he conveyed that, Covid Pandemic cannot stop learning .Workshops and Campus Drives are conducted effectively at Dadi Institute of Engineering & Technology by taking precautionary measures.
