## Action Taken Report 2023-24

**Institution:** Dadi Institute of Engineering and Technology (DIET)  
**Prepared by:** IQAC

**Objective:** This report outlines the actions implemented in response to IQAC recommendations, focusing on faculty development, infrastructure improvement, student career enhancement, and quality assurance in alignment with our vision of holistic, value-based education.

---

### 1. DIET Rural Outreach Program (DROP)

- **Action:** Initiated multiple outreach activities, such as free educational workshops and skill development camps in nearby villages, focusing on enhancing employability and technology awareness among rural youth.

### 2. Faculty Development Program (FDP) - "Art of Living"

- **Action:** Conducted an FDP titled "Art of Living," emphasizing stress management, work-life balance, and motivational techniques to improve teaching efficacy and job satisfaction.

### 3. Faculty Recruitment and Retention

- **Action:** Streamlined recruitment policies to attract qualified, motivated faculty, with enhanced onboarding programs and opportunities for professional growth.

### 4. Enhanced Amenities and Sports Facilities

- **Action:** Expanded sports facilities with eco-friendly designs, providing amenities for fitness and recreational activities to promote a balanced and healthy campus environment.

### 5. Holistic and Value-Based Education

- **Action:** Embedded value-based curriculum elements across disciplines, aiming to foster ethical integrity and entrepreneurial thinking, empowering students for the corporate world.

### 6. Career Guidance Programs

- **Action:** Implemented a series of career guidance and counseling sessions, led by industry professionals, to help students make informed career choices and pursue bright career paths.

## **7. Improved NIRF Ranking Efforts**

- **Action:** Enhanced research output, student outcomes, and faculty credentials to strengthen DIET's position in the NIRF rankings.

## **8. Progress Toward Autonomous Status**

- **Action:** Prepared and submitted documentation to pursue autonomous status, with a focus on achieving greater curriculum flexibility and academic freedom.

## **9. Formal Linkages and MoUs**

- **Action:** Established formal collaborations with industry leaders and academic institutions through MoUs, enabling student internships, faculty exchanges, and joint research initiatives.

## **10. Institutional Upgradation**

- **Action:** Invested in infrastructure upgrades and state-of-the-art lab facilities to support modern educational standards and innovative learning environments.

## **11. Workshops, Seminars, and Conferences**

- **Action:** Organized various academic events to provide a platform for students and faculty to engage with recent developments in technology, entrepreneurship, and research.

## **12. Environmental Awareness Initiatives**

- **Action:** Launched campus-wide environmental awareness programs, including tree plantation drives and waste management workshops, promoting eco-friendly practices.

## **13. Research Promotion**

- **Action:** Offered incentives and funding for faculty and student research, encouraging publication in peer-reviewed journals and participation in research conferences.

## **14. Quality Assurance and Enhancement**

- **Action:** Established a Quality Monitoring Committee to oversee and improve the academic standards and operational efficiency across all departments.

## **15. Staff Welfare Measures**

- **Action:** Implemented welfare schemes, including health benefits, leave policies, and skill development workshops, to support faculty well-being and job satisfaction.

## **16. Faculty and Student Exchange Programs**

- **Action:** Initiated exchange programs with renowned academic institutions to facilitate knowledge sharing, cultural exposure, and collaborative learning experiences.

## **17. Enhanced Teaching, Learning, and Evaluation Techniques**

- **Action:** Upgraded teaching methods through digital tools and interactive learning modules, with periodic assessments to refine the learning experience.

### 18. Financial Aid for Needy Students

- **Action:** Continued providing scholarships and financial assistance to deserving students, ensuring access to quality education for all.

### 19. Role Model for Other Institutions

- **Action:** Committed to setting high standards of education, operational transparency, and community involvement to serve as a benchmark for other educational institutes.

These initiatives reflect DIET's commitment to quality enhancement, faculty support, and community engagement as per IQAC guidelines, aiming to build a learning environment that promotes academic excellence, social responsibility, and sustainable growth.
