

# Webinar on “Next Generation Incubation Scheme” Report

Resource Person :

**Sri. M.P. Dubey**

Joint Director & Officer-in-Charge  
Software Technology Parks of India  
MeitY, Govt. of India, Visakhapatnam

Convener : Dr. K. Sujatha, Professor, CSE

Coordinator: Mr. M.R.V.S.G. Gupta, Assistant Professor, Civil Engg.

Dates : 1 September, 2020

DIET Innovation & Incubation Centre, Dadi Institute of Engineering & Technology has successfully organized a webinar on “NEXT GENERATION INCUBATION SCHEME” for both faculty and students. This webinar is conducted to inform about the CHUNAUTI - NextGen Startup Online Challenge Contest with a call for Startup Ideas from students, academicians and Startups. The Next Generation Incubation Scheme (NGIS) is STPI’s comprehensive incubation scheme which has a vision to drive the rise of India as a Software Product Nation so as to make India a global player in development, production and supply of Innovative, Efficient and Secure Software Products thus facilitating the growth across the entire spectrum of ICT sector as envisioned in the National Policy on Software Products (NPSP) – 2019. Staff attending can also establish startups or can guide students to start their own Company. This has motivated all enthusiastic students to utilize this opportunity and uploaded maximum ideas to this contest using the below link.

<https://www.mygov.in/task/chunauti-nextgen-startup-challenge-contest/>

### Objectives:

- To create an environment for exploring Startup Ideas in both Technical and Non-technical areas.
- To nurture and help students in promoting their Ideas to next level.

### Outcomes:

- Students have gained confidence in generating and promoting their Ideas.
- Faculty were able to select students who are innovative and guided them to build their Ideas.

### Poster Release:

Webinar Poster was released by honorable chairman Sri Dadi Ratnakar. In his message he conveyed that Dadi Institute of Engineering & Technology will always support the students who come forward with Innovative Ideas. He suggested students to utilize the facilities provided by DIET Innovation & Incubation Centre which is functioning actively in the campus.
