## **E-GOVERNANCE:**

### **1. IMPLEMENTATION OF E-GOVERNANCE IN AREA OF OPERATION OF ADMINISTRATION:**

The Institute authorities can implement full supervision of all service units in the office through the **ERP software i.e E-CAP**. The Administration matter communicates with Governing Body members as well as the teaching and non-teaching staff through email .All important administrative information including notices is regularly published on the website. i) Biometric attendance for all staff members; ii) fully automated wireless office with 24x7 internet facility; iii) To achieve the target of Paperless IQAC, committee members of it started using **Google facilities like a) Google sheet** : For data collection from Various Departments; b) **Google Docs**: To prepare notices and activity reports; c) **Google Forms**: To prepare Feedback forms and get online feedbacks of Students and Parents. The Institute campus is equipped with CCTV Cameras installed at various places of need. ICT has been introduced in the Administrative work. WhatsApp Group helps to provide the brief notices of any event to be happened in institute. WhatsApp Groups are also used for awareness and smooth functioning of the Institute.

### **2. IMPLEMENTATION OF E-GOVERNANCE IN AREA OF OPERATION OF FINANCE AND ACCOUNTS**

The accounts of the institution are maintained through the **Tally software and ERP Financial matters are also dealt with Pay UID Money** through phone pay for transaction purposes.

### **3. IMPLEMENTATION OF E-GOVERNANCE IN AREA OF OPERATION OF STUDENT ADMISSION & SUPPORT**

Student Admission is carried out through the **Students Module of ERP**. Stakeholder Relationship Management (SRM) is also used for admission. The Institute website acts as a mirror of the institute information. Admission and online transaction interfaces are provided on website. Institute is having a full time web developer and team members. **Google –Suit online classes platform** also provided for online classes as well as meetings. Alumni portal is provided on website for the information of pass out students.

### **4. IMPLEMENTATION OF E-GOVERNANCE IN AREA OF OPERATION OF EXAMINATION**

Examination Process are handled through **ERP filling of examination forms**, obtaining admit cards, uploading of marks etc. everything is done in online manner. Academic cell of Institute Examination oversees the complete process of examination under the guidance of the Officer In Examinations of the institution

## **5. IMPLEMENTATION OF E-GOVERNANCE IN AREA OF OPERATION OF LIBRARY**

DIET Library is having SOUL 2.0 software to enable all access in library facilities. Institute is also having e-Library which contains E-journals. And E-content also provides in e-Library like NPTEL, DELNET, J-GATE, IEEE, NIMBUS etc. Institute has purchased some of the Google e-content links for e-education. Institute is having OPAC Module and Barcode login entries and exits of the Library for all the students and staff

### **Use of e-Governance:**

- The planning for efficient administration of DIET, increasing Global communication skill, to achieve the world class standard ,it is necessary to have a improved collaboration and access to information available in Institution are possible only by introducing IT in Institute with E-Governance as a security for maintaining standard. Today the IT has become an integral part of life of the people in the world. It is the time to applying the skill for the betterment of Indian educational system as well.
- The e- governance needs security for smooth information flow, best practice database and enhanced capacity for information analysis etc. It requires completely new infrastructure, procedures, policies and working skills for producing and collecting online information. It will be help in the betterment of the higher education in the country and increase the number of employable students.
- Education system can fully equip our children to meet the ever evolving demands in today's highly-competitive environment; the education system needs to be made more efficient and effective by implementing E-governance. It is high time our educators think in terms of imparting what is known as life-long education, or, more aptly, life-long self-education
- With the advent of ICT, electronic governance is an emerging trend to re-invent the way the administration works, becoming a new model of governance. Such a comprehensive and integrated system can also enable authorities to analyze the performance of DIET with other colleges to identify the gaps.
