DADI INSTITUTE OF ENGINEERING & TECHNOLOGY

An Autonomous Institute

Approved by A.I.C.T.E., New Delhi & Permanently Affiliated to JNTU-GV, Vizianagaram

Accredited by NAAC with 'A' Grade and Inclusion u/s 2(f) & 12(B) of UGC Act

An ISO 9001:2015, ISO 14001:2015 & ISO 45001:2018 Certified Institute.

NH-16, Anakapalle – 531002, Visakhapatnam, A.P.

Guidelines for offering a Minor Course

The Minor program requires the completion of 12 credits.

i)   Two courses for 06 credits related to a Minor are to be pursued compulsorily for the minor degree, but maybe waived for students who have done similar/equivalent courses. If waived for a student, then the student must take an extra elective course in its place. It is recommended that students should complete the compulsory courses (or equivalents) before registering for the electives.

ii)   ii) Electives (minimum of 2 courses) to complete a total of 12 credits.

Guidelines for offering Honours Course

The objective of introducing B.Tech. (Hons.) is to facilitate the students to choose additionally the specialized courses of their choice and build their competence in a specialized area in the UG level. The programme is a best choice for academically excellent students having good academic record and interest towards higher studies and research.

1) Honours is introduced in the curriculum of all B. Tech. programs offering a major degree and is applicable to all B. Tech (Regular and Lateral Entry) students admitted in Engineering & Technology.

2) A student shall earn additional 15 credits for award of B.Tech.(Honors) degree from same branch/department/discipline registered for major degree. This is in addition to the credits essential for obtaining the Undergraduate degree in Major Discipline (i.e., 160 credits).

3) A student is permitted to register for Honours in IV semester after the results of III Semester are declared and students may be allowed to take maximum two subjects per semester pertaining to the Honours from V Semester onwards

4) The concerned Principal of the college shall arrange separate class work and timetable of the courses offered under Honours program.

5) Courses that are used to fulfil the student's primary major may not be double counted towards the Honours. Courses with content substantially

equivalent to courses in the student's primary Major may not be counted towards the Honours.

6) Students can complete the courses offered under Honours either in the college or in online platforms like SWAYAM with a minimum duration of 12 weeks for a 3-credit course and 8 weeks duration for a 2-credit course satisfying the criteria for credit mobility. If the courses under Honours are offered in conventional mode, then the teaching and evaluation procedure shall be similar to regular B. Tech courses.

7) The attendance for the registered courses under Honours and regular courses offered for Major degree in a semester are to be considered separately.

8) A student shall maintain an attendance of 75% in all registered courses under Honours to be eligible for attending semester end examinations.

9) A student registered for Honours shall pass in all subjects that constitute the requirement for the Honours degree program. No class/division (i.e., second class, first class and distinction, etc.) shall be awarded for Honours degree programme.

10) If a student drops or is terminated from the Honours program, the additional credits so far earned cannot be converted into open or core electives; they will remain extra. However, such students will receive a separate grade sheet mentioning the additional courses completed by them.

11) The Honours will be mentioned in the degree certificate as Bachelor of Technology (Honours) in XYZ. For example, B.Tech. (Honours) in Mechanical Engineering

Enrolment into Honours:

1) Students of a Department/Discipline are eligible to opt for Honours program offered by the same Department/Discipline

2) The enrolment of student into Honours is based on the CGPA obtained in the major degree program. CGPA shall be taken up to III semester in case of regular entry students and only III semester in case of lateral entry students. Students having 7 CGPA without any backlog subjects will be permitted to register for Honours.

3) If a student is detained due to lack of attendance either in Major or in Honours, registration shall be cancelled.

4) Transfer of credits from Honours to regular B. Tech degree and vice-versa shall not be permitted.

5) Honours is to be completed simultaneously with a Major degree program.

Registration for Honours:

1) The eligible and interested students shall apply through the HOD of his/her parent department. The whole process should be completed within one week

before the start of every semester. Selected students shall be permitted to register the courses under Honours.

2) The selected students shall submit their willingness to the Principal through his/her parent department offering Honours. The parent department shall maintain the record of student pursuing the Honours.

3) The students enrolled in the Honours courses will be monitored continuously. An advisor/mentor from parent department shall be assigned to a group of students to monitor the progress.

4) There is no fee for registration of subjects for Honours program offered in offline at the respective institutions.
