Instituional Policies

3.1 - Promotion of Research and Facilities

3.1.1 - Minutes of the Governing Council/ Syndicate/Board of Management related to research promotion policy adoption

3.1.2 Minutes of the relevant bodies of the institution regarding seed money

The adoption of a research promotion policy by **Dadi Institute of Engineering & Technology (DIET)** marks a pivotal step in fostering a culture of innovation, academic excellence, and knowledge generation within the institution. The Minutes of the Governing Council/Syndicate/Board of Management meetings serve as a formal record of this essential decision-making process, highlighting DIET's commitment to advancing research initiatives. These documents encapsulate the deliberations, resolutions, and strategies that drive the development and implementation of policies aimed at supporting faculty, students, and researchers in their scholarly endeavors. By embracing such policies, DIET reaffirms its dedication to achieving excellence in research and contributing meaningfully to societal and technological progress.
